

Need assistance getting your overseas Gathering visitors to Ireland and your event?

ITOA members are happy to help.

ITOA (Incoming Tour Operators Association Ireland) is comprised of member companies that offer full service ground handling arrangements for overseas visitors in Ireland.

We provide clients with Irish holiday packages for group and individual travelers and organize conference, meeting and incentive events for the corporate market. Member companies sell Ireland packages directly and through their travel trade partners in the overseas market.

So no matter what part of the world your 'Gathering' visitors may be coming to Ireland from, ITOA members can provide you with assistance in packaging ground arrangements here in Ireland including accommodation, transport, visiting attractions and entertainment venues. ITOA members, their overseas market offices or partners will be happy to provide you and your Gathering visitors with advice and travel arrangements.

Below is the list of ITOA members and the services they offer for a variety of Gathering themed events. Some ITOA members handle business from specific overseas markets and others from all overseas markets as listed below. As we say in Ireland 'if we can't help you we know a man that can'.

ITOA is a tourism industry representative group recognized by the state tourism agencies – Fáilte Ireland and Tourism Ireland. All members are covered by the association's financial failure insurance policy.
